UNIVERSITY OF MANITOBA

UNIVERSITY OF MANITOBA

- The University of Manitoba or “U of M” is a public research university with campuses in Fort Garry and Bannatyne. Opened in 1877, it is historically known as the first educational institution in Western Canada.
- U of M offers its numerous programs through the schools of Agriculture, Environment, Rehabilitation Science, Architecture, Art, Education, Engineering, Kinesiology, Science, Social Work, Human Ecology, Business, Music, and Graduate Studies.
- U of M has about a student population of almost 28,800. While most are indigenous students, 18% of the group are categorized as foreign entrants.

BENEFITS – U of M

- It's a Study and Work Program
- U of M is a low tuition institute (Top 10 cheapest school in Canada)
- Get admission within a month & set your plan in motion
- The School is recognized and accepted as a certified designated learning institution (DLI) for International Students
- Only WAEC /GCE results needed
- No IELTS/TOEFL exams as the school recognize Nigeria as an Anglophone country
- No tuition deposit required (Pay after your Admission confirmation, or even after you arrive in Canada)
- Work permit while in school
 - *20 hours per week*
 - *Work round the clock during Holidays*

BENEFITS - U of M

- Admission valid for 3 sessions:
 - *Winter (January)*
 - *Fall Session (September)*
 - *Spring/Summer Session - (May/June)*
- You can defer/roll over your admission to the next intake session – you can work for a while before resuming your school session
- Scholarship is attainable by your second year
- No physical appearance needed for interview as Canada do not do face to face interviews for Study Permit application
- School Fees
 - *About 7,350 CAD per semester*
 - *About 14,700 CAD per year*

REQUIREMENTS - U of M ADMISSION PROCESSING

- WAEC/GCE certificate (Scratch card)
